MultiSuite™ storage systems are truly customizable and available in three finishes to match your style: White Raised Panel, White Flat Panel, or Hammered Grey for that contemporary look.

White Raised Panel

White Flat Panel

Hammered Grey

Get the look you like.

The storage you need, the quality you demand.

MultiSuite™ storage systems come with all the quality you'd expect from ClosetMaid®, the leader in home organization, and are backed by a lifetime Free Replacement Policy. With professional design and installation from a ClosetMaid® Authorized Dealer, your MultiSuite™ system will serve you well.

Hammered Grey and White Raised Panel systems are powder-coated for a stain, scratch, and chip-resistant finish. Plus, new extra-durable MultiSuite™ storage systems are raised off the floor for easier cleaning.

You know you've been meaning to organize your garage. Now there's no excuse. MultiSuite™ storage systems are the affordable, durable way to put everything in its place, either in plain sight or out of sight. Put pesticides and chemicals safely away. Keep garden tools separate from automotive tools. Add a workbench or potting bench. The possibilities and configurations are limitless.

Your ClosetMaid® Dealer will configure a design to meet your specific needs and budget. Hooks, hang-ups and other accessories keep tools and supplies off the ground and always close-at-hand, so there's no more wasting time looking for what you need. Your search is over. Get MultiSuite™ for your garage.

Garage

Make room for your car. And everything else.

MultiSuite™

Get your laundry room clean and bright.

Now you can remove stubborn messes with new MultiSuite™ in your laundry room. Keep detergents, bleach and softeners safely away from little hands. Use wire drawers to separate dirty clothes from clean laundry. Hang clothes as soon as they've been ironed or come out of the washer or dryer. And put the ironing board neatly away. Getting organized with MultiSuite™ storage systems can even make doing the laundry seem less of a chore.

Laundry

Whether it's for school projects, scrapbooking, sewing, model-making or anything your family is into, staying organized keeps the fun coming. With generous work surfaces and a variety of cubbies and cabinets, you can craft a MultiSuite™ storage system for your basement, rec room, spare room, or any area of your home. And you can be sure the end result will be beautiful.

Any Room

The art and craft of staying organized.

48" cabinets make it easy to store tall items and offer full-length or split-door options.

Adjustable shelves conform as your storage needs change.

Adjustable support legs add extra strength.

Adjustable European-style hinges provide perfect door alignment.

Sturdy metal slides allow drawers to operate smoothly.

Simply add a hang rod to 24" cabinets for clothing storage.

Choose from three standard handle options or customize the handles to your liking.

Add white or silver slotwalls for convenient hanging storage.

1" thick countertops are available in white or silver.

Solid drawers provide hidden storage, or choose wire drawers for an open feel.
